Aug 31, 2022

Requested 1st Law Library. Reply by D. Bois 9-1-2022, the next day, was to come to recreational library on Tuesday.

Aug 31, 2022

Requested Law Library. Reply by D. Bois was similar on 9-2-2022 and told me to write to programs for my GED Verification. (I never got verification and was forced to retake my GED - No big deal.)

Between August 31 and October 4, 2022, I made a request to make a "missing persons" report for my father, Vietnam war hero, and his wife, my stepmother in captivity, and I was told by a correctional officer, "I don't give a damn about your family - not my problem!" I tried to object through the door, but he cut me off denying my request to make a formal report. I remember how much PREA in Las Cruces, New Mexico helped me fax reports to the Washington D.C. F.B.I., so I called PREA to ask assistance in reporting captives and was told that they needed an offense in the prison to make any response, which was not the case from before, but I had an offense of a guard cursing my family members in captivity and therefore made the report. Witness, CC Hernandez (CM). A week, or so later, Grievance Coordinator Mr. J. Pagan came to Unit J where I was housed and was very aggressive about using the phone to talk to PREA. I made an honest report about my family being kidnapped and how the guard made fun of me, snapping at me. He said that that wasn't a PREA issue. He held no pen the whole time. Wrote nothing down. Belittled me. Said that I wasn't allowed to report any crimes through PREA. Hernandez witnessed that.

A week or so later Pagani sent me to Maximum housing though I only had "9" points which is medium custody. When I asked Sue Sue why I was going to Max when I only had 9 points, she stated that Core Civic didn't have to follow Halaka's guidelines because I am now in Arizona. I cannot prove a connection, but I am suspicious of the occurrence. Pagani bribe-taking to stop my reporting "his/core civic employee bribe-taker's" might be proved by calling Phoenix FBI.

October 4, 2022

Informed on or about 10/08/22 that Core Civic,
erroneously, did not have access to who was
my legal counsel after I informed them
that the phone calls don't work to the public
defenders office & I was informed that my
minimum hearing was scheduled 10/28/2022.

Note →

PROBLEM: Jason Orshi, Deputy Public Defender,
had admitted to me on phone that he took money
that he shouldn't of & that I was innocent
because HPD-13 proves "no injury" very much
needed for a second degree felony, usually

"Substantial" for second degree assault, but with a third degree assault even regular bodily injury is needed which with the proof of APD-13, there is no injury, not even a red mark as seen in D-1 photo and D-1 diagram. These were suppressed illegally, by Onishi to secure his gratuity/bribe bonus by giving the prosecution the ability to put me in prison to inhibit my ability to report crimes of Onishi's-bribe-giver kidnapping my family. In Onishi's Motion to withdraw as Counsel, 19 December 2022, he admits to breaking Hawaii Professional Rules of Conduct 1.6 Confidentiality and Conflict of Interest, 1.7 Conflict of Interest, 1.8 PROHIBITED TRANSACTION, and 1.9 Former Client and Conflict of Interest. In that motion Onishi also admits to violating my United States Constitution Amendment 6 - Due Process, 14 - Equality and Due-Process and Hawaii State Constitution Article 1 Section 14. This is all admitted CONCLUSIVELY in Jason Onishi's Dkt. 58 Mot. Motion to Withdraw and Appoint Substitute Counsel, Electronically Filed in Hawaii First Court Circuit, 1cfc-210001352, 19-DEC-2022, Hearing Date 1/3/2023. And going back to the note on Oct 4, 2022 about Oct 28, 2022 Court Date because Onishi had already told me he took a bribe,

The
latter !

I had no lawyer to assist me in my minimum hearing! Furthermore, in the blacked-out Pre-sentence Investigation, which wasn't blacked out at the time was tampered evidence with fabricated criminal history by Jason Onishi. Jason Onishi's briber paid Onishi to "Amplify" my criminal history in the hopes to discredit me (1) in court and (2) to FBI and Police for future reports given to them by me in good faith to save lives, just call the FBI in Phoenix. More importantly I am being followed on the streets by Jason Onishi's briber to squash my good-deed reporting crimes to government agency FBI, in good faith to my family in captivity and community. In fact, the day of my arrest October 29, 2021, I called the Berrenda Police Department to report gun shot and a laser that squiggled across my person, 2 blocks from the Straub where they dropped me off at the 7-Eleven. I CALLED FIRST! No Criminal Intent proven that I was scared for my life that day and dropped off 2 blocks away from where a gun-man scoped me down with his laser and sniper-rifle! The report numbers proving this are: HPD Report #21-456819, and HPD Report 21-456781, one

being the Police Report and the other being more about the Ambulance ride for heart attack symptoms. Then Straub, the quick buck clinic, decides to discharge ^{me} with papers, concluding malpractice, sending me out the front door to a place, monitored, most likely by my father's Captor's hit man, Jason Onishi's briber. Straub is "generally known" in Hawaii as the "quick-buck-clinic." See, e.g., Chang v. Straub and Hosp., Inc., 2014 U.S. Dist. LEXIS 1406. "HPS & Straub are driven solely by financial gain and bottom lines." Chang said he and Topolinski were fired as a purely financial reason because they were getting paid well for long service. Susan Matagi terminated because she filed a grievance with the Fair Treatment and Arbitration Process (FTAP). Unpleasant dealings with Ray Vera CEO. Art Gladstone did an inadequate investigation. Matagi was reinstated to the Compliance Office. 1st Administration aware that the Straub grapevine is full of anecdotal stories of long term employees being unfairly let go & many employees are concerned with age and wage discrimination and those who challenge management; Reliance Insurance Company v. Nov 21, 2022

Moved to HIDE, maximum security side, a move made by Bradley and Paganini to get me out of their hair about missing person's reports and extra library time. My points were only 9 from HIDE, one point over minimum, making me medium status, not Max. Sue Sue and Hernandez said Core Civic makes their own decisions and offered me no more for the reason than that. Also wouldn't see Bradley as much in HIDE.

December 21, 2022

Saw Bradley B the Assistant Warden of Operations and I saw him daily going to chow in J Unit, or Juliet. In HIDE the food was brought to us. Stopping my ability to talk to the Warden though I was always amicable I asked difficult questions to Bradley, that exposed him as a crook.

On Dec 21, 2022 in a IRF I talked to Bradley about sitting down and talking about my missing family members, TO THIS DAY NO ONE HAS SAT DOWN WITH ME TO TALK ABOUT THEIR WHEREABOUTS. As far as I know, they might now be out of captivity, captivity from 2016 to 2024, now free because of my reports and the beautiful work of honest and good FBI and police. God Bless us all. In this IRF I explain in writing that my dad, in captivity at the

time, was an electrician on a small gun boat with the United States Navy Seals in Vietnam, a War Hero with heraldry heavily laden upon his sleeve, a retired United States Master Chief with the United States Navy, served from 1969 to 1989 and bore son in the spirit in 1976, my mother served 16 years with him, and my step mother served 16 years on her own and retired as chief in 1990 and too was taken into Captivity by Assistant Warden Bradley's gratuity provider.

January 1, 2023

Got permission by Warden Head to buy a typewriter to write a book. Later denied by Bechler, also part of the corruption at Sagvado Correctional Center. She's held on to that typewriter for over 16 months now. Something about too many ribbons. I paid for 30 to make sure that the book was separated from "Numbers for Angels" and "other poetry" for the "Eclectic" or "Websters." They are scared about my legal letters to the government exposing the breadth of their corruption and ^{their} two bitch made moot clutch get rich system. Bechler Hawaii Contact Monitor who writes grants for CORE Civic during HI Paroling Authority pays her

to bank inmates for their time and their money. Emberrler extraordinary. Just call the Phoenix FBI and ask them what her nickname is 623-466-1999. I call her Dishonest Services Broad.

Jan 23, 2023

Take Note: Cardon the Paralegal gives me print-outs proving that my case is fightable. He prints me my Westlaw definition of 2nd degree assault, I learn that I am innocent of even 3rd degree assault because HPD-13 states "no injury" hardly a red mark. Note: Later Prossky stops Cardon from doing legal research as the law librarians paralegal stating "Hawaii Inmates receive no paralegal services" which is a lie and a fabrication to stop me from having paperwork seen by her peers with approval of services that will stop her gratuity as well, a hefty one for her to stop my law library.

January 24, 2023

IRE from Cardon showing me attachments explaining "Mutual Affray", "Petty Scuffle" and 3rd degree assault, all more appropriate charges for one who caused no injury and had NO CRIMINAL INTENT. I was trying to get away from a

criminal with a laser on my person Oct 29, 2021, the same person who pays Prossky's and Cardon's gratuity, the same man who paid Onishi to lay down the defense in my prosecution to give me the long arm of the law instead of the treatment & probation first proposed. Proven that Onishi took a prohibited transaction in Dkt. 58 in his motion to withdraw as counsel.

January 24, 2023

First time that I asked for "extra" library time. Denied by Shaw. Whoever that is, but it was addressed to Prossky. You will see a lot of this misappropriation, to a suspicious level in fact not because in a real bureaucracy that may happen a bit from time to time, it seems like people are eager to deny me on paper!

January 24, 2024

Prossky intercepted Cardon's FRP for legal research and denied it with asking me to request a pass as if the request she wrote on couldn't suffice as the pass, constituting an opportunity for me to give up the request or hold the "matter" off for a while, both thwarting my purpose to vindicate and report.

January 26, 2023

Asked for February lawtime, was finally given a schedule on time for the following month, a full day on Friday for February. A full day is from 8AM to 230PM, 6 1/2 hours - minus 45 minutes for lunch, about 6 hours. 6 hours is not enough for a "forced" pro se litigant that must learn and type as he/she goes along. I'm 55 WPM, shh. But as far as Aug 15, 2022 through December 31, 2022 I only had 6 law library days with absolutely allowance for no extra days. So 4X5, four months, five days a month equals 20 days that I should have had. Injury "16 days" no library withheld. due to procedural mischief by the kg in administrative duties of Prossky, Caron, and Shawn, and Bradley's bad mouthing me on the law. 20 Extra days Asked. Denied. 16 days or your judgement. Saying, "Oh, he's always asking for something. He's probably lying." That's calling the kettle black. Huh, Bradley. The real crook.

February 7, 2023

Prossky Denied me a course lying about availability. I found out later that Hawaii was not being withheld computer programming at all.

February 21, 2023

Beebe denied my call to Public Defender by

misinforming me of the true process to speak to counsel. Further, I don't have to delete numbers to add them. Federal Law say 30 numbers, Core Civic limits it to 10. I learned through this FRR that I was able to call the Public Defenders, but I can only add numbers on my "month", a 6 month period. I had to wait a month to get the public defender's number in Hawaii added to my list, in Hawaii they

D MARCH
2023.

February 27, 2023

I traded my chicken dinners for two months to pay for two Hawaiian Hair Combs with Hawaiian Paper-flower art painted in gilded gold. No indigent package allowed for a late Christmas gift to my mother. Fine, but I'm writing* down anyway because I'm mad about the real corruption at Core Civic. I filled out a Release of Funds later and got it refused again. I sold more chicken trays and paid for it in March, real International Stamps with similar flowers, brought no hope once again.

March 1 & 7, 2023

Law Library allowed at first from 1045 to 1430 which is down from 6 hrs to 3 hrs apx. on the 10th I talked her into Fridays from 8AM to 230PM, but then I wasn't allowed for Thursdays 3 hrs, so I lost 3 hrs in March to rescheduling. However, No extra time was allowed, but due to that the paperwork makes it look like extra time was given then I don't expect it to be counted unless

In good faith the judge believes me, and my account is true. So 5 days a Month time 6 1/2 hours is 32.5 hrs. 32.5 hrs + the 3 hrs restricted by the first permission slip is 35.5 hrs. Grand Total APX 41 Days loss of Library.

March 8, 2023

No Release of funds is needed when inmate has indigent status. Sent out late. No injury. Scary though that this one occurrence could deny my "meaningful access" to the courts and/or DOJ to report crimes that save lives.

March 28, 2023

Asked Warehouse Ribbon numbers to give to my aunt to buy typewriter, per policy. My aunt bought typewriter and ribbons, but held by Beehler. I feel like she's being, also, mean to my aunt. 8 months, - she's withheld typewriter, Scaring my

family for wondering what type of intention does that entail, does the same message go to my family, "Shut-up,"?

March 10, 2023

Asked for 2 days a week for law library. Was only given one. 5 days. Injury. Grand Total: 46 Days loss of Law Library.

March 10, 2023

Denied photocopy privilege to copy from Government Law Book: Hawaii Court Rules. Said I can print from kiosk, but I have to hand-type it on Apache by hand! Government material is not copyrighted for applicability in Court or otherwise. Denied Injury: 3 days hand-typing. Forgiven, needed to do that anyways. Grand Total 49 Days.

March 15, 2023

Inmates start threatening me and I start figuring out that many employees are getting bribes. I write to Russel. He ignores this, but I later learn that he too receives bribes. THE HEAD OF SECURITY, Confirm, call 623-466-1999, Phoenix FBI.

March 21, 2023

Around this time my case is moved to Hawaii Supreme Court because of proof of Corruption in the proceedings. I indicate that I now have more Case No's, two not criminal, but one an ODC, or Office of Disciplinary Counsel for Onishi, and the other one given to me by the Supreme Court because of the misdeeds of Remigio that I didn't even know about! I ask for 3 days in April. Given only one. Injury Court is 49 but doesn't now account for "3rd day" asked for. "2nd" day withheld was calculated on March 10th's IRE. But now that I can prove Hawaii Supreme Court which was shown to Caron and Prossky, I now say I was shorted a 2nd & 3rd day for April. 3rd day denied is another 5 days withheld. $49 + 5 = 54$ days loss of law library.

April 11, 2023

Asked for 2 days a week because I failed with asking for 2 or 3 and received only one. May was approved for one day a week. Second day denied with ~~prove~~ proof of original case, ODC, and Supremecourt No. Injury: 5 days loss of Library for May. Grand ~~Grand~~ Total 59 days Loss of Law Library.

Example of Interrogatories given by Cardon.

May 10, 2023

I was told, now, just before this request that deadlines are needed for extra law time. I gave four legal obligations & said that I needed to reference legal material for what my deadlines are for my purpose, either RULE 40, or Habeas Corpus, or (?). Very politely I ask for extra time, exactly 1 year from my Sentence date, and get denied. Very little do I know, my Habeas Corpus deadline, theoretically, is over. Prossky states that deadlines are provided by the courts. But this document from the court is hardly ever provided, and she knows this! Furthermore, is there not legislative material in the C.F.R. and other Court Rules Handbooks citing deadlines.

I showed her this and she said, "humph, that's what a deadline. Let me see the document." I showed her the receipts from Hawaii Supreme Court for Motions I've sent and she says there is no date. Extra days denied in May. That's 5 days extra. ^{denied} Grand Total Injury: 64 Days denial of law library.

I was attacked in my cell by two Hawaiian

May 14 through June 14 2023 cont:

Inmates causing 9 sutures and permanent memory loss, or traumatic brain injury. Proof in Financial Responsibility Plan. I was put in separate housing while the two inmates were charged with crimes, I was housed back to J Unit ~~from~~ June 14, 2023. So far 1 month due to no-ones negligence in staff's court, I missed out on 5 to 10 days Law Library. Total Injury 74 Days loss of Law Library. And though at that moment that loss of law library were two inmates who battered me, that account was ignored for extra law library in June to present. They, Prossky, and Cardona were shown the Victim Copy & my medical records proving my memory problems and extra need for Law Library.

June 16, 2023

Denied extra law library for June. Those days already calculated $\frac{1}{2}$ for June, so $2\frac{1}{2}$ days denied. I'll go ahead and round up. Total Injury 77 days loss of Law Library. How's my math?

So I did what any caring son of a Vietnam war hero would do for his Father & step mother do, start the process of my part in a Nation Wide Search. Don't worry, very close to this time I discovered that Booker is a crook who has a Dig-shot buddy in Hollywood he's done some "dirty work" for ~~the CIA~~ Anyways he denied me addresses to FBI. I already had 9. Maybe 1590(b) should be painted on his curbstone. Documented with a loud, big, *

Denied in his response. Notice: the ♡ next to the Master Chief next to my father's name. I thought Booker was good at the time. When the ACA came, Booker wore a Navy Tan Uniform w/o the medals to further intimidate me. And I swear to you that Booker did this, just call 623-466-9999 and ask.

July 17, 2023

Bradley approved my records to be purchased from Hawaii Police Department with a release of funds that would take my balance into the negative. These three reports prove two things: NO INSURRY & Proof I called Police before my arrest at Straulo reporting a laser-sight on my person, the second thing being to prove or argue NO CRIMINAL INTENT. To this day I still have not received my records due to my indigence & Bradley lying about getting them for me.

July 19, 2023

Find comfort that Crawford signs off on papers that I may print in library. Prosofsky slips, "I'll never get paid like this." Prosofsky then gets into a bidding war over stopping my future papers for their gratuity provider offers a "gratuity-steal" for catching another player of the game ^{who} passes paperwork on me. Prosofsky keeps her gratuity at keeping me at only 1 day a week with only one copy. But I demand policy 3 copies of each doc.

August 3, 2023

Crawford allows my medical transcripts to be copied after Prossky says "Oh no, that's not going to happen," spouting off new Library Rules not allowing anything but motions for my current case, also vehemently stopping my Missing Persons Reports, 22 page length.

August 6, 2023

I ask Bradley, since he's not allowing me an FBI phone call for almost a year now to allow me to print of my missing persons report. He says ask your CM or Unit Manager. I suspect Booker another denial so I ask Crawford.

August 10, 2023

Approved by Crawford on 10th, then Prossky walks my approved missing persons report to Booker in JUNIT, make sure he Denies Crawford approval for missing persons reports then Slaps the denial next to me at my Law Library desk. The lump in my throat, to see that Prossky took a walk all the way to J to ensure my denial, stuck all the way to the top of my throat. Missing Children, CMEC, NCR, Nami, Suzanne's Law and Nation Center for Missing Children were all cited. I was very, very, very sad.

Aug 10, 2023

Asked Crawford to allow me to have photo of my injury from Sandberg. "Let him have it," is his permission. Sandberg said write to Love & Shultz. They've failed to allow me to have it either.
